

GOOP KITCHEN SPRING 2026 ALLERGEN AND SENSITIVITY GUIDE

Our kitchens use all major allergens in one or more of our recipes. We cannot guarantee that our food is completely free of any allergen. If you have a severe allergy, we do not recommend ordering from our restaurant. As some of our kitchens are in a shared space, we are a gluten-free kitchen but do not claim to be celiac friendly.

If you do order in store, before placing your order, please inform any of our team members or reach out to help@goopkitchen.com, OR TEXT 310-954-1286

*Consuming raw or undercooked meats, poultry, seafood or eggs may increase your risk of foodborne illness; especially if you have a medical condition.
 **All allergen dish selections are used using the recommended dressings and sauce selections.

PLEASE SEE A LA CARTE SECTION FOR ADDITIONAL ALLERGY INFORMATION ON ALL MODIFICATIONS (PROTEINS, SAUCE, DRESSINGS).
